# Lasting Impressions

are moments in time that are remembered forever. When the students of Eastside High School entered the halls for the start of the 1981-82 school year, each student was determined to leave a Lasting Impression of his school.

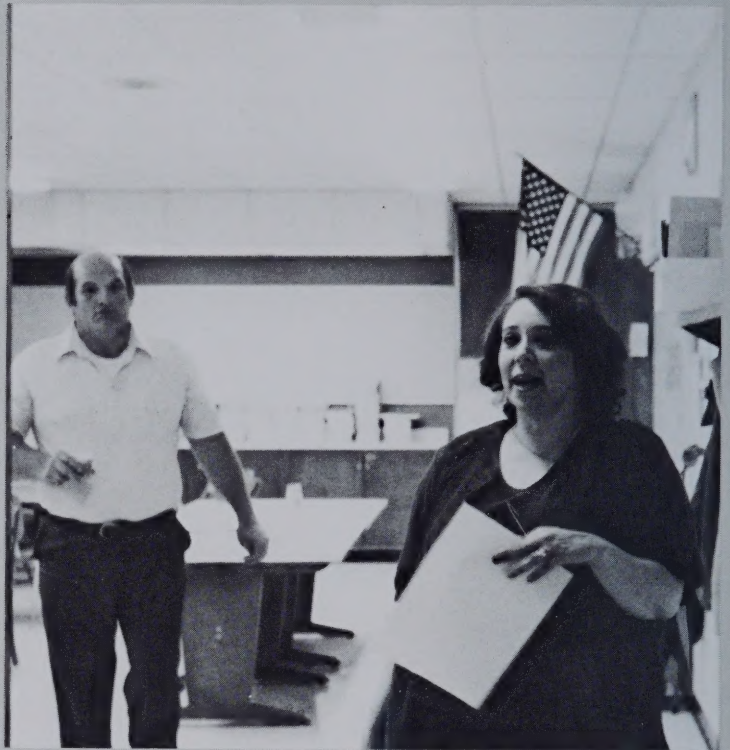

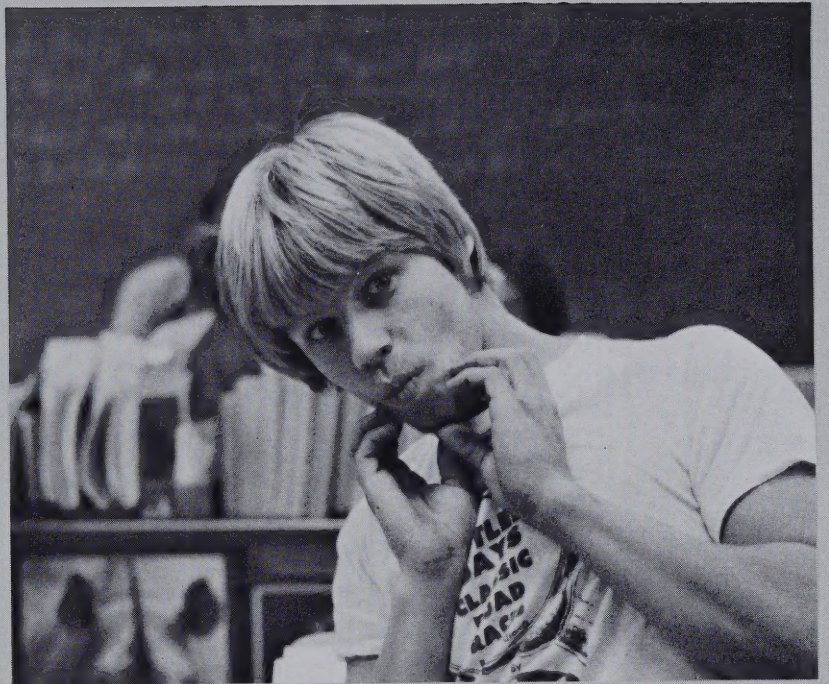

# Spirit and Pride

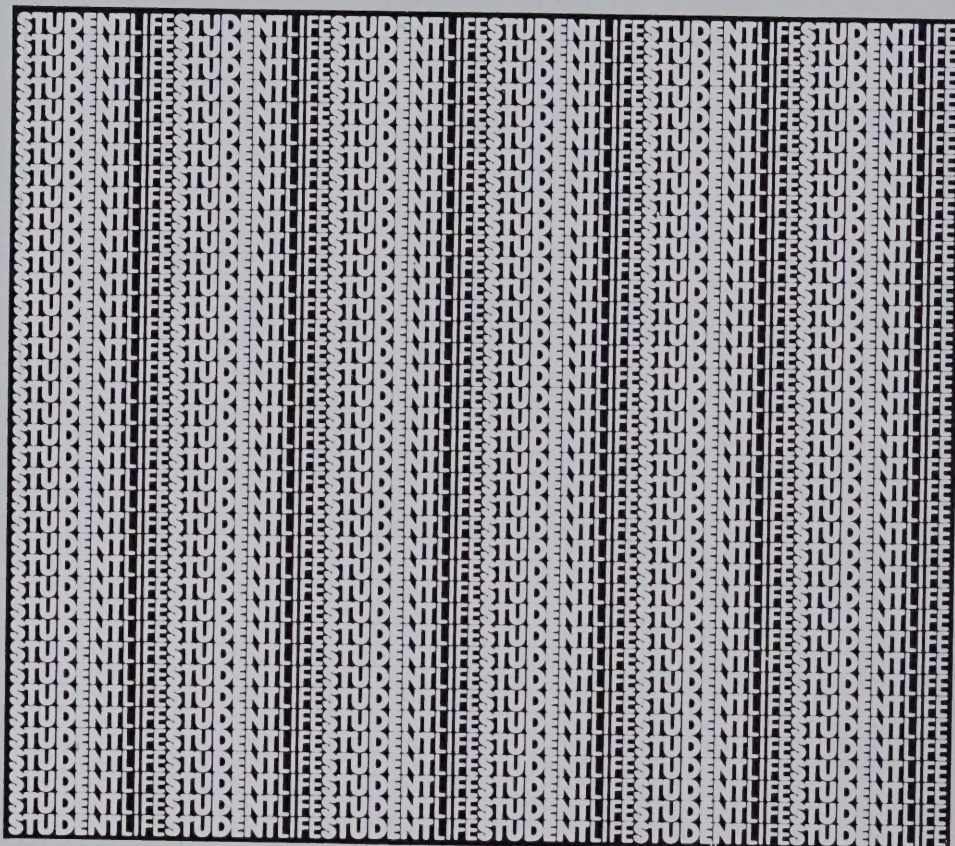

Students and teachers joined together and involved themselves in Eastside activities, showing spirit and pride in their school. Everyone wanted to retain a Lasting Impression of Eastside.

# HOMECOMING 1981

A football game with the Lakeland Lakers Friday night, crowning of Homecoming queen at half time, and a Homecoming dance concluded a week of Homecoming activities.

Blazers lost to the Lakers, but that didn't dampen Blazer spirits when the queen candidates were announced at half time and RoEnna Zerkle was named 1981 Homecoming queen. After the game there was a dance in the cafeteria produced by A and B

Sound.

Students and faculty showed their spirit during Homecoming week by dressing various ways and participating in the battle of the classes.

Dress up day kicked off the activities Monday. Tuesday was backwards day. Wednesday was western and hat day, Thursday was twin day, and to sum up the week, Friday was green and white day.

Seniors won the battle of the

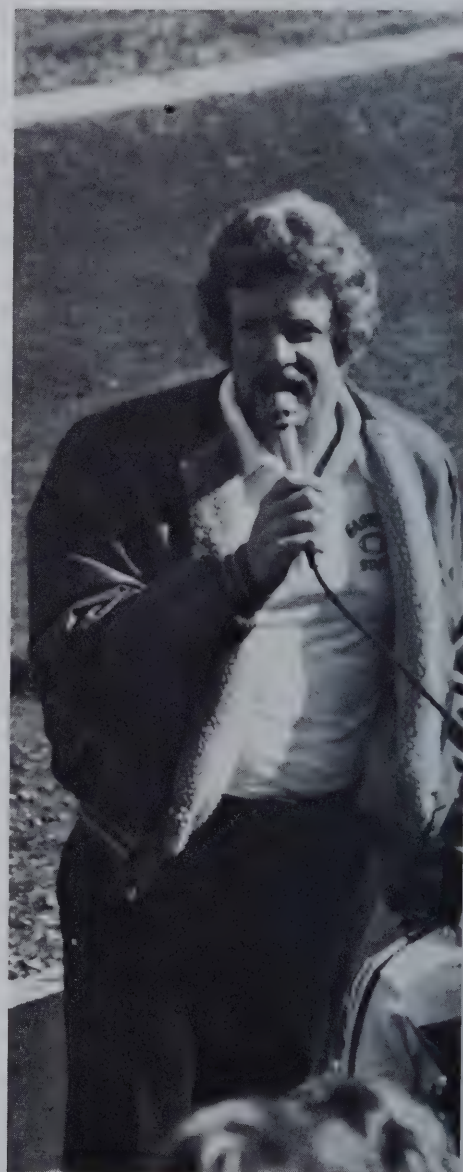

classes. Not only did classes participate, the faculty joined in on the fun and games—but they placed last. The battle included a baby bottle sucking contest, greased watermelon relay, four legged race, pie eating contest, wheelbarrow race, hall decorations, float contest, and a class cheer.

At Friday's pep session, the female faculty members performed a cheer to help root the Blazers to a victory.

# FAIR '81

Eastside students had a very prosperous year at the DeKalb County Free Fall Fair, Sept. 28-Oct. 4. Many students were honored with awards in the DeKalb County Pageant and through 4-H projects.

Representing Eastside in the Miss DeKalb County Pageant were seniors Peggy Buell and Rita McPherson. Peggy and Rita competed with six other girls from surrounding high schools.

Both girls participated in per-

sonal interviews, evening gown, swimsuit, and talent competition.

Peggy performed a baton twirling routine and Rita sang "What I Did For Love."

Rita received the award for Miss Congeniality. Peggy was honored as first runner-up and placed first in the swim suit competition.

Down at the 4-H barns, Eastside students competed with other 4-H'ers in activities held throughout the week. Honors went to; Vicki Imhoff, Reserve Champion pen of

two lambs; Carie Bailey, Champion shorthorn, and Todd Imhoff, Jr. Showmanship lamb.

The band also participated in the fair this year. They marched in the opening parade on Monday night, the Miss DeKalb County Pageant parade on Thursday night, and the Grand Finale parade on Saturday.

Eastside students should be congratulated on their fine performances.

Senior Peggy Buell displays her twirling talents in the Miss Eastside contest.

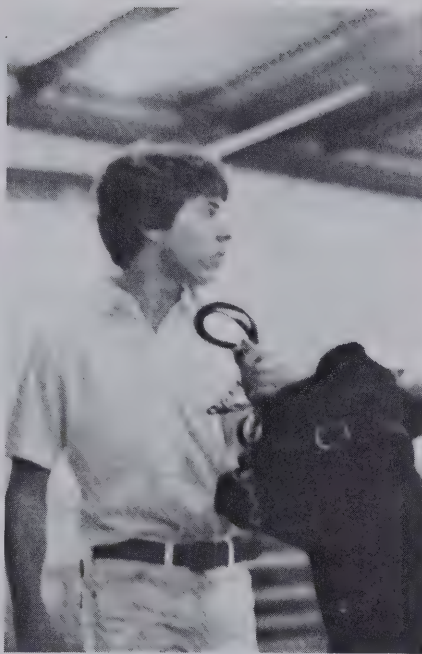

Senior Rita McPherson sings, "I Honestly Love You."

Ken Kessler awaits the judges decision, which was to name his Holstein champion of the dairy beef class, at the DeKalb County Fair.

Dave Crieg plays the tri-toms in the Grand Finale parade.

Mark Koepp shows his 1st place winner in the junior calf Holstein class.

Randy Drake takes time out to relax with his friends.

The gang loves Charlie Brown, although they don't always show their affection. They are showing their affection for their friend here by singing "... with a heart such as yours, you can open any door ..."

Unsuspecting Peppermint Patty just wants to hunt for rabbits. If only Snoopy knew what a rabbit smelled like!

Linus obviously loves his blanket. He expresses his devotion through his song, "My Blanket and Me."

# FALL MUSICAL

Eastside's drama department has done it again. This time it was with their rendition of "You're A Good Man Charlie Brown." Miss Susan Scheufler, the director, put in a lot of time and work, and did an outstanding job of selecting the characters. The cast, which consisted of six students, and the crew, spent many hours making this fall musical the success that it was.

None of the cast was actually six years' old, but this didn't seem to make any difference once the play had begun. The hard task of portraying a six year old was accomplished by the cast with ease. The cast enacted an average day in the life of Charlie Brown. His trag-

edies as well as his triumphs were revealed.

"You're A Good Man Charlie Brown" was Miss Scheufler's first play here at Eastside. Since the treasury was low, a low-budget type of play had to be chosen. "You're A Good Man Charlie Brown" fit this category well, and is just one of the many things that make Eastside High School a school to be proud of.

Lucy displays her leadership characteristics by singing, "If I Were Queen."

The ecstasy of being in love! Charlie Brown becomes embarrassed as the one who holds his heart realizes he is watching her. He quickly retreats to a safer place . . . under his paper bag.

# ONCE UPON A MATTRESS

On the evenings of April 29, 30, and May 1 the curtain rose on the spring musical, *ONCE UPON A MATTRESS*.

The cast consisted of many new and young actors and actresses. They were led by experienced actors and actresses such as Chris Holt, Donna Kray, and Tracy McKown. The cast worked long hours perfecting their lines,

songs, and dance routines. Tona Shinabery and Director Susan Scheufler choreographed the dances.

One must not forget the crew for the play. These are the people that build sets; find props; set lights and microphones; and much more. During the play, under the direction of the stage manager, Michelle Lemos, the

crew was responsible for all set changes and that all props were in place.

The musical was performed under the direction of Miss Susan Scheufler and Mr. Albert Weiss. The orchestra was directed by Mrs. Mary Deever. These people, along with the cast and crew, made this musical a success.

The Wizard kneels down like a stool for Queen Aggravain while she lists all her troubles, including the new princess who must be tested.

The people of the Kingdom sing "Opening for a Princess", which tells of their inability to marry until the Prince has married a Princess.

Prince Dauntless embraces his father, the King, in gratitude for telling him the facts of life in the song, "Man to Man Talk."

Sir Harry and Lady Larkin discuss marriage plans after she tells him that she is going to have a baby.

The Jester, Minstrel, King, and Lady Larkin hide from the Queen by pretending to be a fountain.

Princess Winnifred cries, "Look out lumps!" as she searches for a comfortable spot on a very lumpy mattress.

# OPEN HOUSE 1981

One of the special events during the school year at Eastside is Open House. This year it was held November 17 with the theme, "The Future Begins Here". The student council promoted interest and enthusiasm for the open house by holding contests between home base rooms. Prizes were given for the best room display, largest percentage in attendance, and selection of a theme.

During the evening there were

special events taking place, such as: a computer display and demonstration, an on-going display of typewriters from manual to electronic, the junior high band played 2 selections, the varsity singers held a rehearsal, the FFA held a parliamentary procedure demonstration, and there were demonstrations given by students in the industrial arts area. The public and parents toured the building and

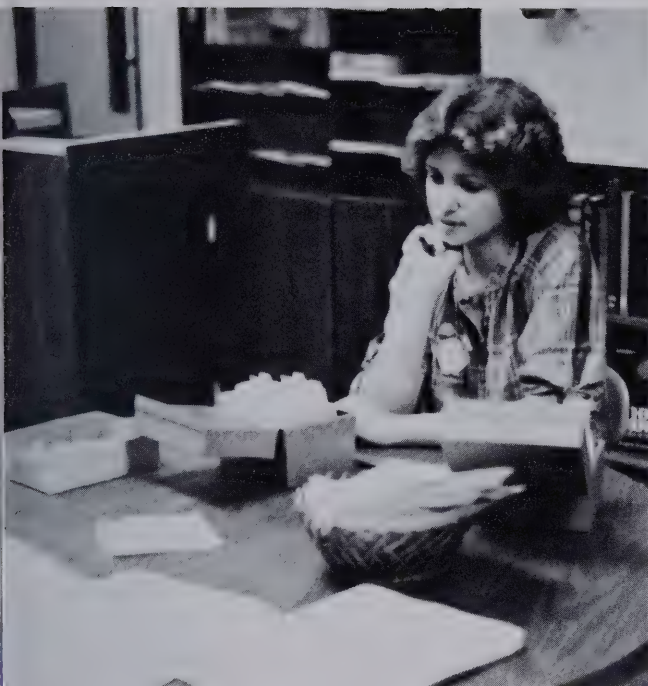

visited with the teachers, who had prepared handouts explaining their various subjects and objectives. The library was used as a focal point where refreshments were made available and questions could be answered. The student council members were available throughout the building to aid in giving directions. The evening was very successful again this year.

Joe Camp, Chris Zenk, Principal Peggy Cowen, Steve Lengacher and Sandy Eck are deeply involved in a discussion.

# CAREER DAY / FIELD DAY

Two special events that were held during the year were Career Day and Field Day.

April 22 was designated as Career Day at Eastside High School. A coffee hour was held before school started to give the teachers and their guests an opportunity to meet and become better acquainted. Each teacher had invited a guest speaker to talk to each of their classes. A full day of classes was shortened so that each class could meet about 20 minutes and be finished at noon. After which, a luncheon was held for the teachers and their guests.

The speakers discussed their jobs and careers that would be related to their area. The students felt the day was very worthwhile and would like to continue the same type of program next year.

The annual tradition of field day was held May 7. It was drizzling rain during the morning and everyone was filled with anticipation that it would stop, but the dreaded announcement finally came, "Field day will be held in the gymnasium this afternoon." The anticipation of being able to spend the afternoon outside was dampened temporarily, but was soon

overcome as the excitement of the various events started. Field day was sponsored by the student council and these members organized events such as relay races of bat twirling, life saver passing, four legged race, leap frog race, sucking jello through a straw, rubic's cube contest, ping pong contests, and last of all the annual tug-of-war. The junior class gained the most points and were victorious at the end of the day. Once again, field day was termed a success and a fun-filled afternoon broke the daily routine of classes.

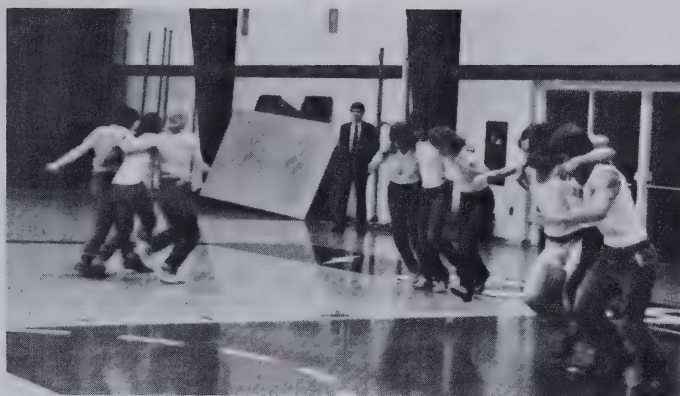

Students at Eastside learn about law enforcement from one of the guest speakers during Career Day.

# CAMPUS LIFE

What is Campus Life? Is it the happenings on a school campus? No! Campus Life is a Christian oriented club for high school students. The students are not preached to at Campus Life. Activities are planned to give the kids something to do in a clean environment. Every year Campus Life sets up a building at the fair supplied with entertainment for the students. Students can go into the Mousehole, as it is called, to get away from the crowds. They can listen to the music and eat peanuts all for free. This year, Cam-

pus Life had Ed Kilborne entertain at the Mousehole.

Campus Life makes annual trips. During spring break, students can go to Florida for a low cost. They also have a backpacking trip in the Colorado Rockies and a white-water rafting trip in Pennsylvania during the summer.

The staff of Eastside Campus Life is Mr. Tom Bazil and Mr. Chris Raber. This year they also had help from three students at Fort Wayne Bible College, Kurt Schippers, Doug Carroll, and Rick Collins. Keep up the good work.

# PRECIOUS AND FEW

"Precious and Few" was the theme of the 1982 Junior-Senior Prom, which was held at the Auburn-Cord-Duesenberg Museum again this year.

Upon arrival at 8 p.m., the couples were greeted with the sounds of "Middle of the Road." Refreshments consisted of finger foods

and punch.

Between the time of arrival and the time of coronation, couples could have their pictures taken to help make the night more memorable.

At 11 p.m., Juniors Lamar Reinhart and Charlene Thimlar were named Prom King and Queen.

1981 King and Queen Mike Casbere and RoEnna Zerkle stepped down from their throne to join the new King and Queen and their court in the coronation dance. After this dance, everyone joined the royalty on the dance floor for the last hour of the '82 prom.

The seniors ate a tasty pancake and sausage breakfast sponsored by the student council on May 21. Scholarships and various awards from the community were presented to the seniors.

After the breakfast, the class went to the gym to give awards to fellow classmates. They also an-

nounced their favorite teachers, Mr. Merle Wagner and Mrs. Donna Hollabaugh. The teachers also gave awards for their specific classes. This awards ceremony was attended by the underclassmen who greatly enjoyed the senior awards.

# SENIORS

The seniors came back to Eastside May 21, after a week-long vacation, to practice for commencement. Each member of the graduating class proudly displayed his cap and gown. Friends got together and discussed their futures. Some seniors had their futures all planned. They would go to college in the fall or join the military. Others were still unsure of their future. Everyone knew, though, that their years spent at Eastside were well worth the time and effort.

The class of '82 really joined together and had fun their last year. They dressed up for Halloween in their "best" clothes.

Mrs. Pullen and Mr. Casey, class sponsors, arranged for the senior trip to Indianapolis. The seniors erupted into the Hyatt Regency Hotel. Many students were told by security officers to stay out of the glass elevators, which were very popular attractions to the students.

After leaving the Hyatt, the class then went to the Capitol Building for a tour. They had a group shot taken of them in the State House of Representatives, then again in the State Senate. The entire group then went into the State Supreme Court. There they were told about the history of the State Capitol.

Having heard all they wanted to hear about government, the class was then ready for a shopping

spree at a nearby mall. The day was not marred by a little rain.

Another tradition the class upheld was a senior banquet. It was held at "The Heritage House" in Fort Wayne on April 28. Class sponsor, Darrell Casey, asked that everyone return for a reunion five years from that date at the same place. All-in-all it was a good year for the class of '82.

CLASS OFFICERS: Secretary Rene Salinas, President Rob Haines, Vice President Doug Dowden, Treasurer Chris Holt.

# BLAZERS INVADÉ D.C.

Arlington National Cemetery, Lincoln Memorial, Bureau of Engraving and Printing. Do any of these places sound familiar? These were among the many Washington, D.C. sights toured by the juniors and seniors on November 10, 1981.

First on the agenda was a visit to the Arlington National Cemetery where they saw the changing of the guards, the Tomb of the Unknown Soldiers, and the grave of John F. Kennedy. Next was a stop at the Lincoln Memorial, and a long-distance view of the Washing-

ton Monument. Then on to the Bureau of Printing and Engraving where many students were fascinated by the many sheets of dollars just lying around. After the tour, several students purchased their own sheet of paper money. The White House was our next stop and some students and faculty had difficulty getting through the metal detectors. Right, Mr. Casey? Eventually, all were cleared and the tour began. Then they went to the U.S. Capitol where they met Congressman Dan Coats on the steps of his re-

spective House of Congress. The next stop was at the Smithsonian National Air & Space Museum for lunch. After eating, students were "let loose" to tour the museum at their own pace. The last stop was a tour of the FBI Building. After being split up into three groups, the tour began. Along the tour there were many interesting things to see. The three groups were then brought together to observe target practice. After a long and exciting day, they boarded the buses that would return them to the airport.

Say, "CHEESE!" Students take time out to have a group photo taken.

TEAM CAPTAINS—FRONT ROW: Vicki Imhoff, Darlene Muraski, Hayley King, Diane Smith, Vince Grogg, Jeff Vinson. SECOND ROW: Katrina Gollmer, Charlene Thimlar, Randy Drake, Vincent Freese, Greg Kaiser, Tracey Dove, Jackie Harrold, Mary Obendorf.

The Junior class had its annual magazine and record sales from September 16 through 28. The main purpose of the sales campaign was to raise money for the Junior-Senior Prom. A total of \$9,252.40 was raised, but only 40% of that figure went to the Junior class because of a profit split with the company.

Any junior who sold 25 orders or more attended a Komet hockey game and went to the Heritage House for supper.

Top 10 sellers for the class include Betty Collins, Tricia Erwin, Charlene Thimlar, Mark Mullett, Lamar Reinhart, Darlene Muraski, Penny Friedel, Melinda Krantz, Tracey Dove, and Hayley King. Betty Collins was named top seller of the class.

Junior class sponsors commented that the class did not quite reach its goal, but did a fine job.

Library Aides are students who give up their study halls to help out in the library. They do many different things, from checking out books to helping with the inventory at the end of the year. They also help with the audio-visual equipment. They deliver the equipment to various classrooms and sometimes are needed to help run the equipment. They also do all types of clerical work. "They are great," Mrs. Mitchell says.

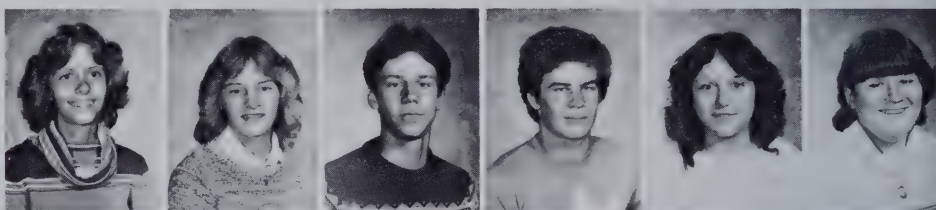

The Library Aides helped to plan many activities to honor National Library Week. A book fair was held all week to give the students a chance to purchase books. One of the most popular activities was the book stacking contest. There were over 125 students and faculty who participated. The winner was Brad Brown. Another popular contest was the "Give Me A Club" contest. Students wrote creative mystery stories from clues. The winners were Darlene Muraski and Carrie Mason. National Library Week was enjoyed by everyone.

HIGH SCHOOL CHESS TEAM: Vince Freese, David Kiger, Ron Ahrndt, John Scott, Keith Crowl

New at Eastside this year was a chess team. The team, organized by Mrs. Mitchell and coached by Mr. Hill, competed in the Fort Wayne Regional Chess Tournament. The team played on two levels, junior high and high school. Several area schools were also involved in the competition and a league for next year is a possibility.

The high school team placed 7th out of 22 teams entered in its first year of play. This finish was only three places shy of a berth in the state tournament. Ron Ahrndt led the way by playing and often beating opponents at the 1st board level. Great support was supplied by John Scott, Robby Haines, and Chris Holt. Eastside's "A" team was one match point away from the state tournament in Terre Haute. Both teams deserve congratulations for a fine performance.

The team played on two levels, junior high and high school. Several area schools were also involved in the competition and a league for next year is a possibility.

The junior high played very well and finished high in the standings of first year participants. Competing for Eastside at the 1st board level (top) was Jason King. He held his own against some very good competition and was able to win several games. Kevin Livengood also played well and turned in a record of 4-1. Bob Scott, playing 2nd board, also performed well against stiff competition.

Blazers  
experience  
trying year

This year's football team was hit hard by the loss of seniors to graduation. Stature and quantity was one of the major drawbacks with this year's varsity team. No matter how hard the team tried, they had many frustrating disadvantages which made it difficult to withstand some of their opponents. There were many injuries; thus hindering the team, leaving them with only a small number to play. Quoted by assistant coach, Aaron Greve, "The guys never quit trying after we had so many letdowns."

At the end of the season the following players were presented with these awards: Most valuable defensive lineman—Mark D. Smith, most valuable linebacker—Marty Daniels, most valuable receiver—Mike Casebere, most valuable running back—Dave Work, most consistent offensive linemen—Doug Dowden and John Maloy.

# VOLLEYBALL

The Lady Blazer Volleyball Team finished the season with a record of 4-14. First year coach Jackie Christian said, "Serving was the strongest aspect of the team." All the members of the team finished with a 90% serving average. The team was led in their serving averages by sophomore Jody Lepper who had an average of 98%. Junior Jane Hollabaugh was named to the all-NECC conference team for her sportsmanship. Junior Dawn Stine was voted most valuable player of the year for her fine dedication on the team. Juniors Marilyn Bishir and Mary Obendorf

were awarded best offensive player and best defensive players of the year. The Lady Blazers did a great job this year and we hope that the team's mobility will not be hindered by the loss of senior Amy Laux.

The Junior Varsity Volleyball team finished the season with a record of 0-16. They really put forth a great deal of effort on the floor this season. These girls have great potential and we hope to see more of their skills performed this coming year. Yvette Harold was voted the most improved player of the year.

The Lady Blazers celebrate a victory.

# WRESTLERS

The Eastside wrestlers maintained their 4th winning season in a row. Since this was the first season for the new conference, Coach Mike Watson said the competition was more equal than before. The grapplers finished 4th in the NECC conference and placed 7th in the New Haven Invitational tourney. Mike Damron received an award for the Most Significant Contribution to the team and Gilbert Ortiz was

voted the Most Valuable Wrestler.

The junior high wrestling team finished their very first season with a seventh place finish in the NECC tourney at Westview. The wrestlers did not win any dual meets in their first season ending it at 0-5. However, they all improved greatly from the start of the season.

The high school basketball teams had very successful seasons due to Coach Rick Hudson's belief in hard work during the off season.

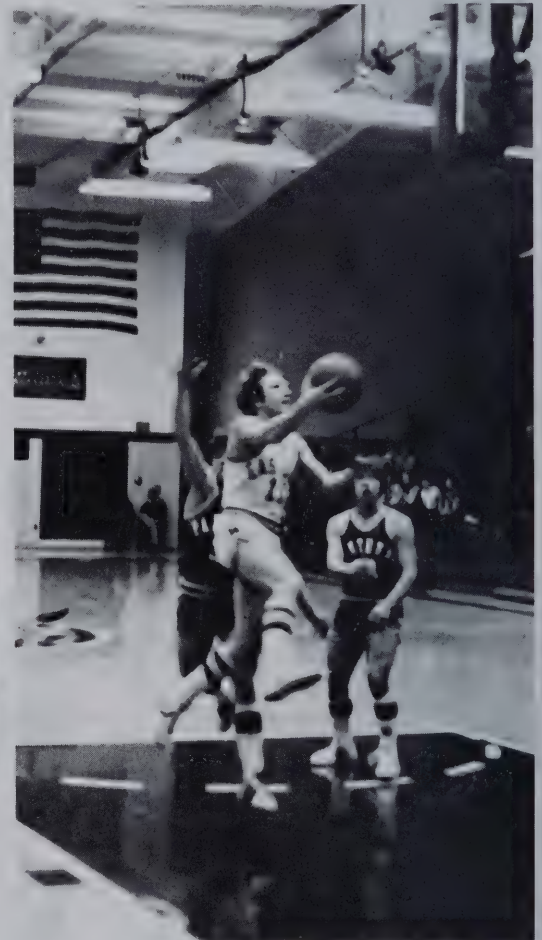

Each year the team has gained much experience with each game they played. Also, this year to start the season ahead of everyone else, Coach Hudson had his team practicing out on the courts one minute after midnight on October 12. That was the official start of the basketball practice. This practice aided the Blazers in gaining at 15-7 season record.

This was Eastside's third year in the NECC. Along with the fine season record, the Blazers came out on top to win the conference title and a conference record of 6-2.

Eastside Blazers will miss Coach Hudson as he moves on, but they will remember him and his teaching as a great coach for a long time.

# NECC CHAMPS

Three seconds left on the clock. It's now or never. Craig Lake takes a jump shot from the corner to send Eastside over Fairfield, 43-42, in the championship game of the Northeast Corner Conference boys' basketball tournament at Lakeland's gym. It was this attitude of "Never give up" that brought the team victory. Teamwork and dedication to hard practice was another aid in the victory.

As conference champs, each member of the team got the chance to cut a piece of the net. They also

received a trophy and held on to the tourney bell.

Upon returning to Butler, there were firemen rallying late at night for an escort to the Eastside gym for a pep session.

Eastside earned three spots on the 1981-1982 All-Northeast Corner Conference basketball team. The players were Mike Casebere, Craig Lake, and Rich Timmerman. These players along with their teammates are true champions.

Our season was one filled with many surprises. A shaky start of four straight losses, mid-season practice, and game cancellations due to bad weather combined to test the character of these eighth graders. The 8th grade team, coached by Dave Kandel, responded by winning seven of the next nine games. The 8th grade team finished runner-up to Lakeland in the conference tournament. Coaches Bob Gerber and Jim White led the 7th grade team to a 3-7 record. There is much talent in these classes and the future should continue to be bright for Blazer basketball.

# GIRLS' TRACK

The girls' varsity track team, coached by Jackie Christian, had to overcome the cold, wet weather again this year. During the NECC tourney, Jane Hollabaugh placed 1st in the 800 meter run and was named a member of the all-conference team. Jane also placed 5th in the 800 meter run at the Ft. Wayne sectional exceeding her previous times in this event. The following honors were presented at the sports banquet: Kim Pope best field event, Shanna Crawl best sprinter, Shelly Haley best distance runner, Ka-

trina Gollmer best middle distance runner, and Jane Hollabaugh most valuable person on the team.

The girls' junior high track team, coached by Jill Hoilman, had a winning season this year starting with two close meets with DeKalb and Churubusco. These girls brought home a trophy after winning 1st place at the Prairie Heights invitational tourney. There were also many fine individual performances and school records broken.

# BLAZER BAND

Trick or Treat? In this case it is a treat for the city of Butler as the Blazer Band dressed up in costumes and entertained Butler with an unusual sight and a jubilant sound for Halloween.

And a one, and a two, and a . . . . .! Members of the pep band play for pep rallies, football and basketball games.

# BAND/VOCAL MUSIC

The members of the band council were: President Dawn Lang, Vice President Michelle Moore, Secretary/Treasurer June Burton, Freshman Representative Carie Bailey, Sophomore Tracy Swartz, Junior Cristina Soule, Senior Cindy Yeiser.

The Eastside Blazer band played for various occasions this year. Some of which were Homecoming, all the home basketball and football games, and a few pep sessions. Blazer band members worked hard for the solo and ensemble contest which was held January 30 at Lagrange at Lakeland High School. The students were allowed to enter in a variety

of instrumental music categories.

The Christmas concert was held December 17 in the Eastside cafeteria. The band played a variety of Christmas songs and even got the audience to sing along to a few well-known Christmas carols.

Peggy Buell, Kathy Bishir and the Blazettes competed at Tippecanoe Valley-Mentone auxiliary unit contest. Peggy received a superior award for her twirling performance, while the Blazettes and Kathy received excellent ratings.

The band went to the State Festival for a band competition this spring. They returned proudly bearing a recognition of a Division II rating.

The Junior & Senior High Bands performed for the community with a spring concert, May 4. Junior high selections were: Concord March, Castlewood Overture, Rodeo, Stargate 2000, and One from "A Chorus Line". The senior performance consisted of: New Horizons, Fall River Overture, Concerto for Faculty and Band, and Variation Overture.

The high school choir participated in the Christmas concert and also in the spring concert. The Varsity Singers were invited to sing for the Mayor's Prayer Breakfast and were a part of the program for the graduation exercises.

Peggy Buell, Cindy Yeiser, June Burton, Donna Kray, Tony Shinabery, Dawn Lang, and Darlene Mills take a break for pictures during the band banquet.

# SCIENCE CLUB

The officers for the 1982 science club were: Ken Casebere—President, Darlene Mills—Vice President, Michelle Lemos—Secretary/Treasurer, Kenneth Olin—Sponsor. The club planned various fun and educational trips during the year. One of the trips taken this year was to the Roller Dome and Cardinal Music Palace at Fort Wayne for an evening of fun.

During their trip to Chicago, they visited the Brookfield Zoo, the Shedd Aquarium, and the Adler Planetarium. At the Adler Planetarium they were

able to see the planets and were shown how the planets orbit around the sun.

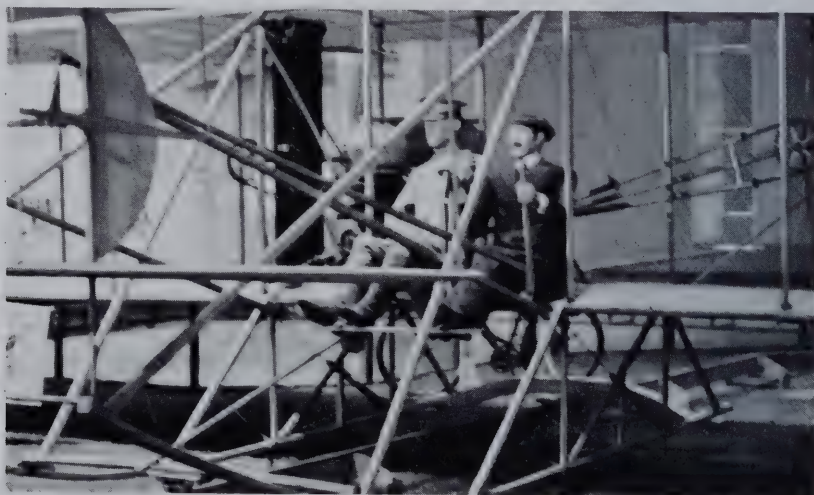

The club went to Dayton, Ohio to visit the Wright Patterson Air Force Base. Many different types of planes, dating back to World War I and II, were on display in the museum. The group enjoyed going back into history and trying to imagine what it was like with these older style planes.

Mr. Ken Olin has great hopes for even more educational trips next year.

# HOOSIER GIRLS' STATE

What is it like to spend a week in the midst of 838 girls on the campus of Indiana State University? "It's exciting and unforgettable," according to Darlene Muraski, Eastside's representative for Hoosier Girls' State 1982.

Hoosier Girls' State is a government program designed to educate Indiana's young women in the duties, privileges, rights and responsibilities of American Citizenship. This unique program is sponsored by the American Legion Auxiliary. They are willing to give young girls this chance because they believe that young women can contribute much to local, county, and state government.

Hoosier Girls' State is held on the campus of Indiana State University. The girls are divided into eighteen "cities" and six "counties" named after women who

contributed tremendously to our government and to Hoosier Girls' State.

There is never a dull moment at Hoosier Girls' State. The girls are busy from the time they get out of bed—anywhere from 5:30 to 7:00—to the time they go to sleep at 11:00 or 12:00. With those long hours, the week seems more like a month!

During the week, the girls are taught parliamentary procedures, the qualifications of city, county and state offices, and the duties of these offices. Each girl decides what office she wants to run for and then the campaigning begins.

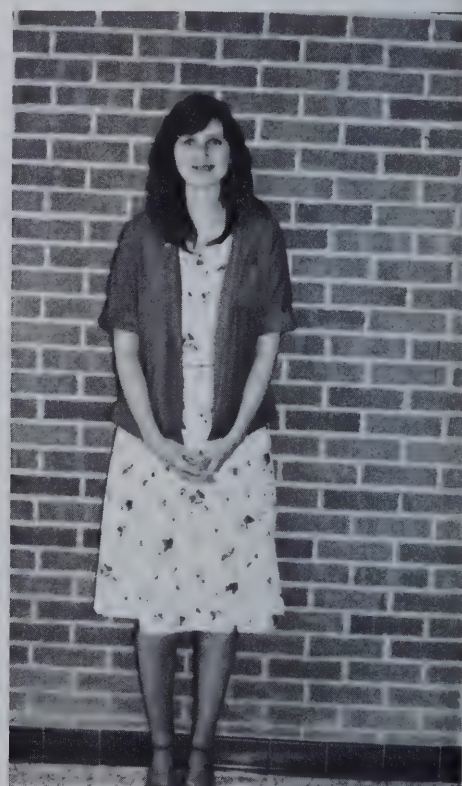

The primary and general elections are very exciting as everyone is out campaigning and having a great time doing it. After the elections are over, the remainder of the week is spent with the newly elected officials learning the du-

ties of their offices and putting them into practice.

Was Hoosier Girls' State a worthwhile experience according to Darlene? "When I arrived at Indiana State University for Hoosier Girls' State, I was very nervous and excited. As I found my room, I looked for a familiar face, but found only strangers. These strangers soon became my close friends as we learned together throughout the week. I learned to appreciate my country and the way it is run. As a result of Girls' State, I will honor my country and be proud of it. The experience of Hoosier Girls' State was one I will never forget. I will always cherish the memories of it and I will always be thankful to the American Legion Auxiliary and their belief in the young women of America.

Darlene Muraski, Hoosier Girls' State representative.

# EXCHANGE STUDENT

What does "naut" mean? "Randy"? Only our exchange student Lynda Lambert knows the definitions to these words.

Lynda is from Griffith New South Wales, Australia. She was born on December 10, 1965. Her father, John, works for Telecom Australia, a telephone company. Her mother Muriel—everyone calls her Maf—teaches cooking in night classes. Lynda has an older sister, Cathryn, and is very close to her.

What did Lynda do during the summer while school was out here in Indiana? She took a trip with ninety-two other foreign ex-

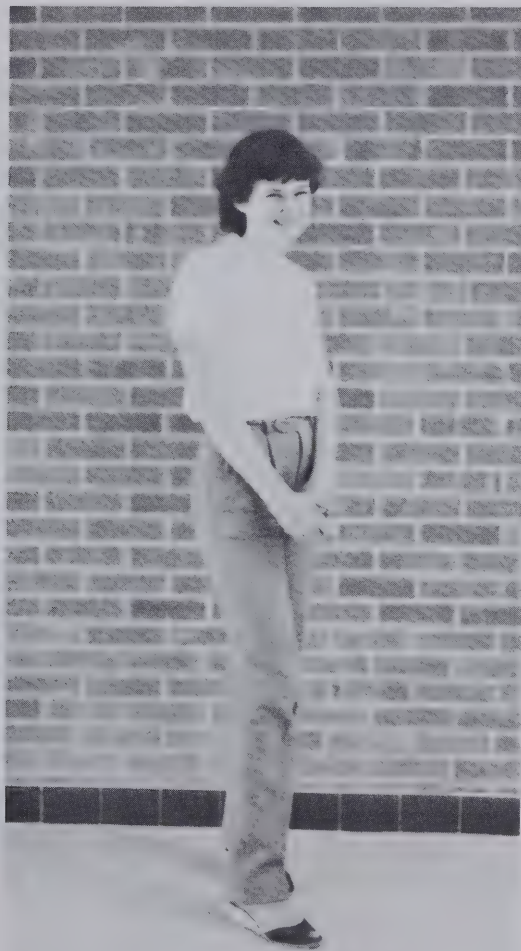

change students to see the country. She earned the money for her trip by working part-time in a department store.

On her trip she traveled to many states and had a really nice time. These are the places she visited on her trip: Iowa; Nebraska; Colorado—the Rockies; Mesa Verde National Park in Arizona; Los Angeles; Disneyland; Santa Maria, CA.; Universal Studios; San Francisco; Ukiah and Coos Bay, Oregon; Victoria-Vancouver Island, B.C.; Bellingham, Wash.; Spokane, Wash.; Boseman, Montana; Coulter Bay; Teton National Park; Buffalo, Wyoming; Custer State

Park, S.D.; Sioux Falls, S.D.; La Crosse, Wisconsin; Kenosha, Wisconsin, and then home to Indiana.

She also spent much of the summer enjoying some of her many hobbies like jogging, bike riding, and absoling (mountain climbing). During school she was also a member of the track team.

Lynda is staying with three different families while she is here. From January, when she arrived, until June, she stayed with the Armstrongs. From June until October, she lived with the Meeks. She stayed with the Bercaws for the remainder of her trip until she left in January of 1983.

If you had walked down the halls of Eastside High School May 11, you would have noticed a few strange and quizzical characters. Then when you asked why they looked so, so, different from everyone else, they would turn around and give you some outrageous remark. Don't worry though, these aren't people from the insane asylum. They're new Thespians being initiated into the world of actors and actresses.

This year the new Thespians were: Teresa Gollmer, Rob Haines, Mike Howard, Jewel Meeks, Steve Newcomer, Angie Sechler, Tona Shinabery and Amber Watson.

These students had to obtain 10 points by working so many hours with the play.

The sponsor of the Thespians this year was Miss Susan Scheufler.

# EASTERNER STAFF

The "Easterner Staff" had a lot of work to accomplish, but they all worked together and had fun doing it. They collected \$2100 selling advertisements for the '81-'82 Yearbook. There was a workshop held in the yearbook room one day during school for all the editors. This work shop showed the editors how to draw layouts for the yearbook.

April 16 was a rather rainy and bland day, but it didn't keep the yearbook members and journalists from going to Ball State for "J-Day." The students left around 6:00 a.m. and arrived at BSU around 8:00. At first it was confusing when everyone had to run around to find the classes they

wanted to attend, but as the day progressed everything became easier.

The seminars consisted of various classes on such things as copy, lay-out, captions, and photography. The staff received honorable mention for Best Copy competition. The award was presented by the Journalism Department of B.S.U.

On the road home after J-Day the bus was quite calm and serene—as seen in the picture of Tonalee. There were blisters, runny noses and tired bodies, but everyone had a blast and learned many new things that could help to develop our '81-'82 Easterner Yearbook.

# ART CLUB

The art club's biggest success this year was the 1982 Art Show—which was held April 28 to May 1. The members raised their funds through delicious bake sales, and around Christmas, they sold ornaments that could be hung on Christmas trees. All the members participated in helping paint the ornaments. The funds were used to buy prizes for the 1982 Art Show. There were six categories in the art show; Pen & Inks, Painting, Ceramics, Drawing, Illustration, and Charcoals & Pastels. A prize was given to each first place winner of each category in grades eleven and twelve. Students were placed in three different categories, seventh and eighth grades—received first, second and third place ribbons. Ninth and tenth grades—received first, second and third place ribbons. Eleventh and twelfth grades received ribbons and awards.

WINNERS of the 1982 ART SHOW were:

# FUTURE HOMEMAKERS

The Future Homemakers of America Club was quite active this year. The club attended the fall District III meeting at Hamilton and they also attended the spring District III meeting held at Woodlan.

Mrs. Candi Surber, the FHA sponsor, helped the students plan some fund raisers throughout the year to finance these and other trips. Before Valentine's Day, the members sold Valentine's flowers. Two bake sales were also held, which were very profitable for the club.

Many fun activities were planned throughout the year. The club had a "do-it-yourself" pizza party, and at Christmas the members had a gift exchange, along with a "make your own taco" party. To finish the year, the FHA went to dinner in Ft. Wayne. These various activities during the year enjoyed by all of the members.

# FUTURE FARMERS

Through the work of second year Vo-Ag teacher, Sam Reinoehl, and the local FFA members, much work has been done to improve the Eastside Chapter's standing in the state. Currently the Eastside FFA is ranked in the top 40 chapters in the state. This past year, members were involved in many activities. Eastside won the County Soils Contest for the 8th consecutive year and the members went on to place 7th in the district. The crops team won the county contest and placed well enough in the district to advance on to the state contest. Eastside also advanced a dairy team from the county to the district level. Members also did well in proficiency applications and leadership contests.

| CONTEST            | MEMBER       | PLACING |

| Leadership         | Ken Casebere | 2nd     |
| Conservation Demo. | Rod Hawver   | 3rd     |

Several members attended the Indiana FFA camp at Trafalgar, IN. Others attended the State Convention at Purdue, and the National Convention in Kansas City. While at Purdue, Ken Casebere was elected District III President and a member of the Indiana State FFA Executive Committee. Dave Krieg was a member of the State FFA Band. During National FFA Week, members served the teachers donuts and juice, and also drove their tractors to school. As the chapter grows, more awards and accomplishments can be expected.

# STUDENT COUNCIL

Eastside High School student council was a very active group around school this year. They were involved in planning many activities that added a great deal to the student life. From helping new students become acquainted with the campus to the sponsoring of the senior breakfast. The activities were mainly structured around student involvement.

Student council members were in charge of the "Battle of the Classes". At Homecoming they planned many fun events for the students. The seniors, following tradition, emerged the winners.

The convocations were somewhat limited this year due to the many missed school days as a result of bad weather and because of fiscal problems of the student council. The convocation involving the featured group of the Mousethole was enjoyed by everyone.

Field day activities were held in the gym as it rained once again on field day. The student council planned some new events that were thoroughly enjoyed by everyone. The juniors were the winners of the "Battle of the Classes".

Always one of the highlights of

the school year is the senior breakfast on awards day. The breakfast gives the seniors pleasant memories of their years at Eastside High School.

Student council spent a great deal of time amending the constitution so the class officers would have a written policy available to them. All in all, the student council is composed of a fine group of dedicated students interested in making Eastside High School a more positive educational experience for everyone.

# NATIONAL HONOR SOCIETY

The National Honor Society was an active club this year. During the football season many members volunteered their services to work at the games. In March the athletic department treated them to a banquet at Shook's Restaurant for working at two or more games.

November 9 was the date for the induction of new members. This took place in the cafetorium. The greeting and invocation was given by RoEnna Zerkle, the history of NHS by Kim Mullett, and the introduction of officers and cur-

rent members then took place. There were four candles on the main table. Each candle represented character, service, leadership, and scholarship. Donna Kray spoke to the members and their families about character, Mike Camp spoke on service, Ken Casebere spoke on leadership, and Michelle Lemos spoke about scholarship. Following this portion of the program was the pledge and presentation of pens by Mrs. Pullen and congratulatory remarks were given by Mrs. Cowen.

April 16 was the set date for the NHS annual banquet. It was held in the Piper Glen room of MacTavish's Restaurant in the Marriott Inn in Fort Wayne. Everyone chowed down and when finished Donna Kray and Jewel Meeks entertained the members with a pantomime of "A Haunted House." Sorry to say, but both girls ended up as vampires and flew away. Mitch Snyder and Donna Kray then put on a type of drama called reading theater.

ICT/ICE—Industrial Cooperative Training and Interdisciplinary Cooperative Education. The ICT program develops basic manipulative skills, safety practices, judgments, technical knowledge, and related occupational information for the purpose of placing students for initial employment in industrial occupations.

The ICE program spans all vocational program areas through an interdisciplinary approach to training for employment.

A student in the ICT/ICE program works in the mornings or in the afternoons. The students

must attend 3 hours of school each day which includes the ICT/ICE related classes, taught by Mr. Casey, and two other required courses.

In the ICT/ICE class the students discuss their jobs and everyday problems that are in association with their jobs. Every nine weeks the students also receive a report on how they are handling their jobs. This report is sent by the employer of each student.

The annual banquet for the ICT/ICE program was held May 17 at Shippy's Steak House. The students paid for the plaques and

the banquet itself from the money they earned at their job sites. Each employer of every student received a plaque with the student's name engraved on it.

Joe Shelton, of the Butler Bulletin, was honored with the special employer award this year for outstanding service to the community school corporation.

Every year the past president of ICT/ICE attends the banquet. This year was no different as Rick Collins returned for the closing remarks at the end of the banquet.

# OEA—COE AND PRE.VOC. ED.

IOL, can you pronounce the word? Probably not. These three letters stand for "Intensive Office Lab". The class was a two-hour class given the first semester of school and was set up as an office simulation. The students used a time clock and received pay checks just like a regular office worker would receive. Some of the activities the students did were filing, payroll simulations, and typing. The students did typing and other various jobs for area businesses. The money they re-

ceived for these jobs went toward the OEA expenses.

OEA, another funny word? No, OEA is short for "Office Education Association". It is also the name of the club that the students involved in the IOL/COE program belong to.

COE is short for "Cooperative Office Experience" and is taken the second semester by the IOL students. The students work a half day and spend three hours of attendance at school each day. All students involved in IOL/COE

take this class taught by Mrs. Hudson, and two other required courses.

The students work at such area businesses as The Butler Company, Maxton Motors, and Laub Auto Parts. Some students this year, that were involved in the IOL/COE program, did not receive a job because of the economy situation. Those who did participate learned and experienced much from the business world.

# SPANISH CLUB

The officers for the 1982 Spanish club were Loretta McPherson—President, Peggy Buell—Vice President, and Tona Shinabery—Secretary/Treasurer.

The club sponsored a dance and held a few bake sales to raise money for their various activities. T-shirts with Spanish sayings on them were also sold by the club.

At our Christmas party in December we listened to Spanish music from the album "Can-Can". This album came from Lima, Peru. A Santa Claus pinata was made

and created much excitement when it took four seniors to finally break it. We ended the evening by playing Bingo.

The club took a trip to Ft. Wayne to see a company of South American dancers, singers, and musicians. The dancers were called Alexandra Dondines Dancers of the Americas. After the show, we went to Bandidos for lunch. This spring we enjoyed a picnic with the French club held at Maxton's Park.

# FRENCH CLUB

The French club has been very active this year. French club is an organization for all those students interested in the French language and works.

The club planned many activities this year to help their members learn about the French culture. They also worked together to raise money for their activities. One such fund raiser was selling doughnuts at the football games.

Under the arrangement and watchful eye of Miss Melinda Lantz, the club's sponsor, the

members of the French club went on an all day field trip. The students took a bus from Eastside to Wayne High School in Ft. Wayne. There they watched the play, "La Petit Prince" (The Little Prince). After the play, the students ate lunch at the Epicurean Creperie. The trip gave the students a taste of French food and also acquainted them with the work of a famous French author.

On May 2 the French club, along with the Spanish club, had a spring picnic. It was held at Maxton's

Park in Butler. The students cooked their own meals and brought snacks to munch on until the main meal was ready. They spent the rest of the afternoon playing games.

December 16 the members of the club enjoyed themselves to the fullest at Glenbrook Square. Many students went to the ice skating rink, while others took life cautiously and played the video games or went shopping.

# A WORD FROM Ambassador Steel

May 23, 1982

*The Graduating Class  
Eastside High School  
603 E. Green St.  
Butler, Indiana 46721*

*Dear Graduate:*

*You have spent many years and countless hours studying the basic laws of nature and science that govern our universe, and the laws of business, society and government which govern our human relationships so that you would be prepared to meet the challenges of life. Your success in meeting those challenges will largely be determined by how well you are able to function within the framework of these laws.*

*However, perhaps in your quest for knowledge and understanding you have ignored the most important laws of all--the eternal, unchangeable laws of God that not only govern the degree of happiness with which we will enjoy life, but will determine our eternal destiny. It is only as one understands and accepts these spiritual laws that the basic questions of life can be answered--WHO AM I?--WHAT IS MY PURPOSE IN LIFE?--and WHAT IS MY DESTINY? These laws are presented for your examination and consideration in the hope that you will find, as we have, the abundant and eternal life that is available in Jesus Christ.*

*Sincerely,*

AMBASSADOR STEEL CORP.

## LAW ONE:

God loves you, and offers a wonderful plan for your life.

"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish but have eternal life."—John 3:16.

"I came that they might have life, and might have it abundantly."—John 10:10.

## LAW TWO:

Man is sinful and separated from God.

"For all have sinned and fall short of the glory of God."—Romans 3:23.

"For the wages of sin is death."—Romans 6:23a.

## LAW THREE:

Jesus Christ is God's only provision for man's sin.

"Christ died for our sins . . . He was buried . . . He was raised the third day, according to the Scriptures . . ."—I Corin. 15:3-6.

"Jesus said to him, 'I am the way, the truth, and the life; no one comes to the Father, but through Me.'"—John 14:6.

## LAW FOUR:

We must individually receive Jesus Christ as saviour and lord.

We must receive Christ

"But as many as received Him, to them He gave the right to become the Children of God, even to those who believe in His name."—John 1:12.

We must receive Christ through Faith

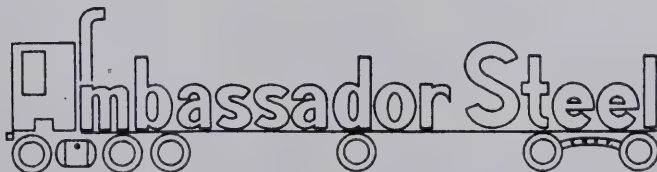

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast."—Ephesians 2:8,9.

We must receive Christ by personal invitation

"Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him."—Revelation 3:20.
